

SEPTEMBER 7-11

SANTA BARBARA, CA
FESS PARKER'S DOUBLETREE RESORT

The International and National Neurotrauma Societies and the Virginia Commonwealth University School of Medicine (VCU) invite you to attend NEUROTRAUMA 2009: The Second Joint Symposium of the International and National Neurotrauma Societies, in collaboration with the AANS/CNS Section on Neurotrauma & Critical Care, at Fess Parker's Doubletree Resort in Santa Barbara, California from September 7-11, 2009.

This five day scientific symposium, which draws expertise from medical and scientific communities, is especially designed for scientists, physicians, postdoctoral fellows, residents and graduate students. The scientific program will span the gamut of clinical pathophysiology, treatment strategies, basic research models and molecular approaches involved in CNS neurotrauma.
